

# **Powers Park**

## **3<sup>rd</sup> Annual Power to the Park**

**Saturday, June 25, 2022**

**10 am – 4 pm**

Please fill out this entire application and return it with your payment as soon as possible to ensure you have a space at our event. All vendors participate at their own risk and by signing this application agree to release The Village Improvement Society/Power's Park of and from any and all liability or any expense, damage, injury or loss to vendors from any cause. We do have a rain date set for July 9. Every effort will be made to keep the original date. We will let you know within the week prior if Mother Nature has other plans. Do not leave items behind when the event is over. If items from your table did not sell or could not be given away, donate them to HOPE or bring them home with you.

### **RENTAL CONTRACT**

Spaces are \$25. This will mark a 10x10 area for you to set up your table, goods, and/or cover.

Electrical outlets are available for a select few spots. If you require electricity, please include that on your contract below, and be advised that you need to bring your own cords. Only one direct sales vendor from a company will be accepted, handmade crafters will be accepted with discretion so as to limit the amount of each craft.

Make checks payable to Powers Park, add a memo: "Power to the Park" & mail with this application to:

Powers Park PO Box 715, Lyndonville, Vermont 05851

Vendors must be set up by 9:30 am and remain set up until 4 pm. Someone will be at the park at 7 am to guide you in to set up. Spaces are pre-marked but they are first come first serve with the exception of the tables that need electricity readily available – they will be pre-selected for you. Thank you for your cooperation. Signature is required for acceptance.
